SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Do you want to record the presence?

CLERK: Quorum present, Mr. President.

SPEAKER MARVEL: While we are waiting for Senator Koch, I think we will revert to Select File. Senator Wesely, are you ready? The Clerk has some things to read in and then we will go. Go ahead.

CLERK: Mr. President, first of all the Appropriations Committee will meet upon adjournment in Room 1003 today.

Mr. President, your committee on Miscellaneous Subjects whose chairman is Senator Newell to whom is referred LB 185 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; 186 General File; LR 22 General File; 166 General File with amendments; 368 General File with amendments and 485 General File with amendments.

SPEAKER MARVEL: Is that it?

CLERK: No, one other thing, Mr. President. New bill, LB 222A introduced by Senator DeCamp. (Read title. See page 1310 of the Legislative Journal.)

SPEAKER MARVEL: As we go down the Select File if any of you have any questions, would you please say something? We will start otherwise, Senator Wesely, with 251. Do you have the notes? What do we have, Mr. Clerk?

CLERK: Excuse me, 251, the E & R amendments were adopted yesterday by the body but at that time we laid it over because there were to be amendments by someone. I forget who.

SPEAKER MARVEL: Well we had better hold it then. What about 421?

CLERK: 421 has nothing but E & R amendments, Mr. President.

SPEAKER MARVEL: It has E & R amendments?

CLERK: Yes, sir, it does.

SPEAKER MARVEL: Senator Wesely.

SENATOR WESELY: I move the E & R amendments to LB 421.
